

Press Release

## **TouchWorld, Inc selected as a Preferred Supplier under Allegis Group Services for GM Managed Contract Services Program**

07/25/11 - Published by TouchWorld, Inc, (Farmington Hills, MI)

TouchWorld, Inc is pleased to announce our recent selection as a preferred IT supplier under Allegis Group Services for GM/ GM Onstar. TouchWorld, Inc was selected for the GM Managed Contract Program based on current GM engagements centered around TouchWorld's full spectrum of high-value and generalized IT roles—including project managers, technical advisors, application architects, technology specialists, administrators, as well as junior and senior developers.

Touch World, Inc is a recognized leader as a IT Services and Solutions Organization. Established in 1997, Touch World has been servicing and providing Consulting services and Support resources for numerous technologies and domains to Enterprise clients across various industry market sectors throughout the US. We continue to represent a core SAP practice centered around delivery of the SAP products; SAP NetWeaver Stack Platform, Web Based Portal and Mobile Devise Application solutions.

TouchWorld, Inc had teamed with IBM as a Business Partner and holds the distinction as the 1<sup>st</sup> Optim/SAP Services & Solutions partner representing a suite of Data Management and Security Database Monitoring offerings centered around the Information Governance Platform; Data Security, Data Privacy and Data Growth solutions.
